Washington County School District offers a wide range of support services to students. We would like to offer your student the opportunity to participate in some supportive counseling while at school.

During the course of our discussion(s) students may share their personal views and experiences as appropriate. Meetings with the school counselor will take place at an appropriate time during the school day and will provide time for your child to confidentially discuss feelings about many things, possibly including personal difficulties. Every effort will be made to respect family privacy, and there is no intent to discuss sensitive issues; however, the law requests that we remind you that unexpected subjects** may arise as children express their feelings. You will be notified under the following circumstances:

1 – The student reveals information about hurting himself/herself or another person.
2 – The student or another person may be in physical danger.

**FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT**

*Section 53A-13-302, Utah Code, requires a two-week waiting period before beginning counseling services. If you would like to begin these services as soon as possible, please sign below to waive the two-week waiting period.*
