PART A. POLICYHOLDER PROVISIONS

ENTIRE CONTRACT

The entire contract consists of all of the following:

- This Policy issued to the Policyholder including Part A and Part B.
- The Certificate(s) which are made part of Part B under this Policy.
- Any endorsements and/or riders issued.
- The Policyholder's signed application, a copy of which is attached to the Policy when issued.

The Policy may be amended at any time by written agreement between us and the Policyholder. No change in the Policy will be valid until approved by one of our executive officers. Such approval must be in writing and will be endorsed or attached to the Policy. Changes requiring regulatory approval will not be valid until approved by the appropriate regulatory body.

No agent, representative or employee of ours or of any other entity may change or waive the terms of this Policy, or of any Certificate or rider issued under it, except in a writing signed by one of our executive officers and endorsed on or attached to this Policy.

CERTIFICATES

We will furnish the Policyholder with a Certificate of coverage which describes the benefits under the Policy. The Policyholder will provide a Certificate to each insured Employee.

If there is a conflict between the terms of this Policy and any Certificate or rider issued under it, this Policy controls.

ELIGIBLE NEW COVERED PERSONS

Eligible new Covered Persons will become covered under this Policy according to the terms and provisions of the Policy.

Covered Persons means insured Employees and any other persons covered under any riders, endorsements or amendments to the Policy.

MAINTAINING RECORDS

The Policyholder must provide us with detailed information about persons who are eligible to become insured under the Policy, information about Covered Persons, and any other information that may be reasonably required to compute premiums and administer the terms of the Policy.

If the Policyholder, or its authorized representative, retains administrative records regarding eligibility and coverage amounts for Covered Persons, then the Policyholder retains sole responsibility for eligibility and benefit calculations as well as adjusting premium as applicable and we shall have no liability to the Policyholder, its authorized representative or any Covered Person for claims for coverage or coverage amounts based upon the Policyholder's erroneous retention and maintenance of such administrative records.

Policyholder records that have a bearing on the Policy will be available for review by us at any reasonable time.

REPRESENTATIONS NOT WARRANTIES

A copy of the Policyholder's application will be attached to the Policy when issued. All statements made by the Policyholder and Employer are considered representations and not warranties.

INCONTESTABILITY

We will not use any statements to avoid insurance, reduce benefits or defend a claim unless the statement is included in a written application which has been made a part of the Policy. Except for fraud, we will not use such statements to contest insurance after it has been in force for two years from its effective date. Fraud in the procurement of the Policy is only contestable after the Policy has been in force for two years from its effective date when permitted by applicable law in the governing jurisdiction.

The statement on which any contest is based must be material to the risk accepted or the hazard assumed by us.

PREMIUMS

This Policy is issued in consideration of the Policyholder's application and payment of premiums when due. The first premium amount due for the Policy is indicated on the initial "premium rate notification" document provided to the Policyholder. The first premium is due on, and must be paid by, the Policy effective date.

Premium Due Dates: 08/01/2022 and the first day of each calendar month thereafter. The Policyholder must send all premiums to us on or before their respective due dates. The premium must be paid in United States dollars to our home office.

Premiums due on any premium due date are determined by the total amount of insurance provided by the Policy on such date, calculated using the appropriate premium rate(s) which are in effect subject to any premium adjustment if applicable. We may use any reasonable method to compute the premiums due under the Policy.

If a change in insurance takes effect after a premium due date, premiums for the changed insurance will be charged from the first day of the next month.

If we receive any premium payment which was not due, we will refund it to the Policyholder. The Policyholder must send us proof within 60 days of the payment in question that the payment was not due.

INITIAL RATE GUARANTEE AND RATE CHANGES

A change in premium rates will not take effect before August 1, 2026.

However, we may change premium rates at any time for reasons which affect the risk assumed, including but not limited to any of these:

- A change occurs in the policy design.
- The number of insured Employees changes by 15% or more.
- A new law or a change in any existing law is enacted which applies to the Policy.

We will notify the Policyholder in writing at least 60 days before a premium rate is changed. A change in premium rates may take effect on an earlier date when both the Policyholder and we agree.

GRACE PERIOD

The Policyholder has a grace period of 60 days for the payment of any premium due except the first premium payment. During the grace period the Policy will remain in force. There is no grace period if the Policyholder gives us advance written notice of termination, or if we have given the Policyholder advance written notice of termination as described under the POLICY TERMINATION provision.

If full premium payment is not received by us by the due date, we will give written notification to the Policyholder that if the premium is not paid by the end of the grace period then the Policy will end on the last day of the grace period. If we fail to give such written notice, the insurance provided under the Policy will continue in effect until the date such notice is given. We may extend the grace period by giving written notice of such intent to the Policyholder, and such notice will specify the date the Policy will terminate if the premium remains unpaid.

If the Policyholder replaces this Policy with another group policy, but does not give us written notice of intent to terminate this Policy, then this grace period provision will still apply.

The Policyholder is required to pay a pro rata premium for any period the Policy was in force during the grace period. Premium payment is required for any grace period, any extension of such period, and any period for which insurance under this Policy was in effect and was not paid.

POLICY TERMINATION

The Policy can be terminated either by us or by the Policyholder.

We may terminate the Policy on any premium due date for any of the following reasons:

- The Policyholder does not promptly provide us with information that is reasonably required, or fails to perform any obligation required by the Policy and applicable law.
- Fewer than 25 persons are insured under the Policy.
- We determine that there is a significant change in the size, occupation or age of the eligible class(es) as a result of a corporate transaction such as a merger, divestiture, acquisition, sale or reorganization of the Policyholder and/or its persons.
- We stop providing the type of coverage under this Policy to all groups in the Policy issue state.

We reserve the right to review and terminate all class(es) covered under the Policy if any class(es) cease(s) to be covered.

If the Policyholder fails to pay the full premium due by the end of the grace period, the Policy will terminate according to the GRACE PERIOD provision.

If we terminate the Policy for reasons other than the Policyholder's failure to pay premiums, written notice will be mailed to the Policyholder at least 60 days prior to the termination date.

The Policyholder may terminate the Policy by written notice delivered to us at our home office at least 60 days prior to the termination date. The Policy will terminate on the later of the date stated in the written notice or the date we receive the notice. When both the Policyholder and we agree, the Policy can be terminated on an earlier date.

If the Policy is terminated, coverage will end at 12:00 midnight standard time at the Policyholder's address on the termination date.

If the Policy is terminated, the termination will not affect a payable claim.

If the Policy is terminated, all premiums due must be paid to us. If we accept premium after the date of Policy termination, such acceptance will not act to reinstate the Policy, and we will refund any unearned premium that we receive.

NOTICE OF TERMINATION

Under Utah law, the Policyholder must provide 30 days prior written notice of termination of coverage to each Insured Person and notify each Insured Person of any rights to continue coverage upon termination.

PORTABILITY

If there are any Covered Persons on portability, as described in the Certificate and riders, when the Policy would otherwise terminate, the Policy will remain in force to cover those Covered Persons on portability until the date there are no Covered Persons on portability.

If we terminate the Policy due to our termination of all similar policies in the Policy issue state, then coverage for all Covered Persons on portability will also terminate. We will send a termination notice to each Covered Person on portability.

REINSTATEMENT

We will not reinstate the Policy after it has terminated. To become insured after insurance has stopped, the Policyholder must submit a new application.

CONFORMITY WITH STATE STATUTES

Any provision of the Policy which, on the Policy effective date and each subsequent Policy anniversary date, conflicts with any law that applies in the jurisdiction where the Policy is issued, is automatically amended to conform to the minimum requirements of such law.
