Congratulations! Washington County School District has established a "Flexible Benefits Plan" to help you pay for your out-of-pocket medical expenses. One of the most important features of the Plan is that the benefits being offered are paid for with a portion of your pay before Federal income or Social Security taxes are withheld. This means that you will pay less tax and have more money to spend and save. However, if you receive a reimbursement for an expense under the Plan, you cannot claim a Federal income tax credit or deduction on your return.

DETERMINING CONTRIBUTIONS

Before each Plan Year begins, you will select the benefits you want and how much of the contributions should go toward each benefit. It is very important that you make these choices carefully based on what you expect to spend on each covered benefit or expense during the Plan Year.

Generally, you cannot change the elections you have made after the beginning of the Plan Year. However, there are certain limited situations when you can change your elections if you have a “change in status”. Please refer to your Summary Plan Description for a change in status listing.

WHAT TYPE OF BENEFITS ARE AVAILABLE

Under our Plan, you can choose the following benefits. Each benefit allows you to save taxes at the same time because the amount you elect is set aside on a pre-tax basis.

**Health Flexible Spending Account:**

The Health Flexible Spending Account (FSA) enables you to pay for expenses allowed under Section 105 and 213(d) of the Internal Revenue Code which are not covered by our insured medical plan. The most that you can contribute to your Health FSA each Plan Year is set by the IRS. This amount can be adjusted for increases in cost-of-living in accordance with Code Section 125(i)(2).

Please note: If you participate in a Health Savings Account (HSA) benefit because you are enrolled in a HDHP, you cannot participate in the Full Health Flexible Spending Account benefit, but you can participate in the Limited Health Flexible Spending Account Benefit.

**Health Savings Account:**

A Health Savings Account allows participants insured by a Qualified High Deductible Health Plan to save for deductibles and other expenses not covered under the Plan. If you participate in this benefit you cannot participate in the Health Flexible Spending Account benefit, only a Limited FSA.

**Limited Health Flexible Spending Account:**

If you participate in an HSA you may also participate in a Limited Health Flexible Spending Account and be reimbursed for out-of-pocket dental and/or vision expenses incurred by you and your dependents. Once you satisfy the statutory deductible you may be reimbursed for medical expenses that are allowed under Section 105 and 213(d) of the Internal Revenue Code which are not covered by our insured medical Plan. Please refer to your SPD for the current statutory amount. You may not, however, be reimbursed for the cost of other health care coverage maintained outside of the Plan, or for long-term care expenses.
Dependent Care Flexible Spending Account:
The Dependent Care Flexible Spending Account (DCAP) enables you to pay for out-of-pocket, work-related dependent day-care cost. Please see the Summary Plan Description for the definition of eligible dependent. The law places limits on the amount of money that can be paid to you in a calendar year. Generally, your reimbursement may not exceed the lesser of: (a) $5,000 (if you are married filing a joint return or you are head of a household) or $2,500 (if you are married filing separate returns); (b) your taxable compensation; (c) your spouse's actual or deemed earned income. Also, in order to have the reimbursements made to you and be excluded from your income, you must provide a statement from the service provider including the name, address, and in most cases, the taxpayer identification number of the service provider, as well as the amount of such expense and proof that the expense has been incurred.

Premium Expense Plan:
A Premium Expense portion of the Plan allows you to use pre-tax dollars to pay for specific premiums under various insurance programs that we offer you.

Please note: Policies other than company sponsored policies (i.e. spouse's or dependents' individual policies etc.) may not be paid through the Flexible Benefits Plan. Furthermore, qualified long-term care insurance plans may not be paid through the Flexible Benefits Plan.

HOW DO I RECEIVE REIMBURSEMENTS
During the course of the Plan Year, you may submit requests for reimbursement of expenses you have incurred. Expenses are considered “incurred” when the service is performed, not necessarily when it is paid for. You can get a claim form at www.NBSbenefits.com.

Claim forms must be submitted no later than 90 days after the end of the Plan Year for the Health Flexible Spending Account and the Dependent Care Flexible Spending Account. Any contributions remaining at the end of the Plan Year will be forfeited. However, if you have unused contributions in your Health Flexible Spending Account following the Plan run-out period, you may roll up to $500 to the new plan year. If you move to a HDHP and HSA, any remaining balance up to $500 in your Health Flexible Spending Account will be moved into a Limited Health Flexible Spending Account due to eligibility in an HSA. Funds can be used as indicated under Limited Health Flexible Spending Account above. Any amount above $500 in your Health FSA at the end of the Plan run-out period will be forfeited.

NBS Flexcard – FSA Pre-paid MasterCard
Your employer may sponsor the use of the NBS Flexcard, making access to your flex dollars easier than ever. You may use the card to pay merchants or service providers that accept credit cards, so there is no need to pay cash up front then wait for reimbursement.

Orthodontic expenses that are paid fully up-front at the time of banding are reimbursable in full after the initial service has been performed and payment has been made. Ongoing orthodontic payments are reimbursable only as they are paid.

WHO ARE HIGHLY COMPENSATED & KEY EMPLOYEES
Under the Internal Revenue Code, “highly compensated employees” and “key employees” generally are Participants who are officers, shareholders or highly paid.

If you are within these categories, the amount of contributions and benefits for you may be limited so that the Plan as a whole does not unfairly favor those who are highly paid, their spouses or their dependents. Please refer to your Summary Plan Description for more information. You will be notified of these limitations if you are affected.
