place. This Certificate replaces any other Certificates we may have given you for the same level of coverage under the
Policy.

This Certificate summarizes and explains the parts of the Policy which apply to you. The Certificate is part of the group

Any decrease in coverage will take effect immediately but will not affect a payable claim that occurs prior to the decrease.

CHANGE OF INSURANCE CARRIERS
If you are not in Active Employment due to Injury or Sickness on the effective date of the Employer’s coverage under our Policy, and you were covered under the Employer’s prior group policy of hospital confinement or fixed indemnity insurance at the time the Employer’s coverage under our Policy became effective, we will provide continuity of coverage under our Policy. In order for this provision to apply, the prior policy’s coverage must be similar to our Policy.

If you are not in Active Employment due to Injury or Sickness on the effective date of our Policy, and you would otherwise be eligible to become insured under our Policy, we will provide limited coverage under our Policy. Coverage under this provision will begin on our Policy effective date and will continue until the earliest of the following:

- The end of the Policyholder's grace period, if the Policyholder does not remit premium to us by the end of such period.
- The last day of the month during which you are no longer in Active Employment.

We will provide coverage for a payable claim that occurs while you are covered under the Policy.

POLICY TERMINATION
The Policy can be terminated either by us or by the Policyholder.

We may terminate the Policy for any of the following reasons:
- There is less than 15% participation of those eligible persons who pay all or part of their premium for the Policy.
- The Policyholder does not promptly provide us with information that is reasonably required.
- Fewer than 25 persons are insured under the Policy.
- The premium is not paid in accordance with the provisions of the Policy.
- We determine that there is a significant change in the size, occupation or age of the eligible class(es) as a result of a corporate transaction such as a merger, divestiture, acquisition, sale or reorganization of the Policyholder and/or its persons.
- We stop providing the type of coverage under this Policy to all groups in the Policy issue state.

We reserve the right to review and terminate all class(es) covered under the Policy if any class(es) cease(s) to be covered.

If the Policyholder fails to pay the full premium due by the end of the grace period, the Policy will terminate according to the GRACE PERIOD provision.

If we terminate the Policy for reasons other than the Policyholder’s failure to pay premiums, written notice will be mailed to the Policyholder at least 60 days prior to the termination date.

The Policyholder may terminate the Policy by written notice delivered to us at our home office prior to the termination date. When both the Policyholder and we agree, the Policy can be terminated on an earlier date.

If the Policyholder or we terminate the Policy, coverage will end at 12:00 midnight standard time at the Policyholder's address on the termination date.

If the Policy is terminated, the termination will not affect a payable claim.
PORTABILITY
Portability means you have the option to continue your coverage after it would otherwise terminate, if certain conditions are met.

To continue your coverage, you must apply for portability and pay the first premium within 31 days of the date your coverage would otherwise terminate due to any of the following:
- You retire or terminate employment with the Employer, if coverage remains in effect under the Policy for other Insured Persons.
- The Policyholder terminates coverage under the Policy for all Insured Persons, and does not replace it with a similar insurance plan.
- You are no longer eligible for coverage under the Policy.

You can decrease but not increase the ported coverage amount. Ported coverage is subject to all the terms of the Policy and this Certificate.

Premiums will be billed directly to you. Continued premium payment is required to keep coverage in force. The initial premium will be based on the portability premium rates in effect at the time you apply for portability. We may change the portability premium rates at any time upon 60 days written notice to you.

Coverage continued under this provision will end on the earliest of the following:
- The end of the period for which you paid premiums, if you stop making a required premium contribution, subject to the grace period.
- The date you die.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days written notice of termination.

GRACE PERIOD
The Policyholder has a grace period of 60 days for the payment of any premium due except the first. During the grace period the Policy will remain in force. If full payment is not received by us by the end of the grace period, the Policy will automatically terminate at the end of the grace period. The Policyholder is required to pay a pro rata premium for any period the Policy was in force during the grace period. There is no grace period if the Policyholder gives us advance written notice of termination, or if we have given the Policyholder advance written notice of termination as described under the POLICY TERMINATION provision.

If you are on portability, you also have a grace period of 31 days for the payment of any premium due. During the grace period your coverage will remain in force. If full payment is not received by us by the end of the grace period, your coverage will automatically terminate at the end of the grace period. A pro rata premium payment is required for any period your coverage was in force during the grace period.

REPRESENTATIONS NOT WARRANTIES
We consider any statements the Policyholder and you make in an application to be representations and not warranties. No statements made by you will be used to reduce or deny any claim or to cancel your coverage unless both of the following are true:
- The statement is in writing and is signed by you.
- A copy of that statement is given to you or your personal representative.

INCONTESTABILITY
Except in the case of fraud, no statement made by you in an application or enrollment form relating to your insurability will be used to contest the insurance for which the statement was made after the coverage has been in force for two years during your lifetime.
CLERICAL ERROR
Clerical error or omission by us or by the Policyholder will not:
- Prevent you from receiving coverage, if you are entitled to coverage under the terms of the Policy.
- Cause coverage to begin or continue for you when the coverage would not otherwise be effective.

If the Policyholder gives us information about you that is incorrect, we will do both of the following:
- Use the facts to decide whether you are eligible for coverage under the Policy and in what amounts.
- Make a fair adjustment of the premium.

MISSTATEMENT OF AGE
If premiums are based on your age and you have misstated your age, we will make a fair adjustment of benefits to reflect the amount that the premium paid would have purchased at your true age. We may require satisfactory proof of your age before paying any claim.

ASSIGNMENT
No assignment of benefits under the Policy is valid, unless otherwise specified in the Policy.

AGENCY
For purposes of the Policy, the Policyholder acts on its own behalf or as your agent. Under no circumstances will the Policyholder be deemed our agent.

CONFORMITY WITH STATE STATUTES
Any provision of the Policy which, on the Policy effective date and each subsequent Policy anniversary date, conflicts with any law that applies in the jurisdiction where the Policy is issued, is automatically amended to conform to the minimum requirements of such law.

CHANGES TO POLICY OR CERTIFICATE
No agent, representative or employee of ours or of any other entity may change or waive the terms of the Policy, or of any Certificate or rider issued under it, except in writing signed by one of our executive officers and endorsed or attached to the Policy.

If there is a conflict between the terms of this Certificate or any attached rider and the Policy, the Policy controls.
BENEFITS

We will pay a benefit as shown on the SCHEDULE OF BENEFITS for an eligible Confinement or other covered loss that occurs on or after your coverage effective date, subject to the EXCLUSIONS of this Certificate.

CONFINEMENT DAILY BENEFITS

Only one type of facility Confinement benefit is payable per day. Confinement benefits are payable for each day you are Confined up to the maximums shown on the SCHEDULE OF BENEFITS.

Re-Confinements to a Hospital or Critical Care Unit (CCU) or Rehabilitation Facility that occur within 94 days after being discharged for the same or a related condition are considered to be part of the previous period of Confinement. A Confinement that begins more than 94 days after discharge for a previous period of Confinement is considered a new Confinement.

A Confinement benefit will not be payable for any day that an admission benefit is payable.

Admission: Only one type of admission benefit is payable per day. Admission benefits are payable upon admission to a Hospital for Confinement as an inpatient due to treatment of an Injury or Sickness. The first day of Confinement must occur on or after your coverage effective date. The number of admission benefits payable during a period of Confinement are limited as shown on the SCHEDULE OF BENEFITS.

Hospital Confinement: Benefits are payable if you are Confined in a Hospital on an inpatient basis due to treatment of an Injury or Sickness.

Critical Care Unit (CCU) Confinement: Benefits are payable if you are Confined in a Critical Care Unit on an inpatient basis due to treatment of an Injury or Sickness. Once the CCU Confinement benefits have been paid for the maximum number of days in the SCHEDULE OF BENEFITS, any remaining days of Hospital Confinement during the same period of Confinement will be payable under the Hospital Confinement daily benefit, up to the maximum number of days in the SCHEDULE OF BENEFITS.

Rehabilitation Facility Confinement: Benefits are payable if you are Confined in a Rehabilitation Facility on an inpatient basis due to treatment of an Injury or Sickness.
EXCLUSIONS

Benefits are not payable for any loss caused in whole or directly by any of the following:

- Suicide, attempted suicide or any intentionally self-inflicted Injury, while sane or insane.
- War or any act of war, whether declared or undeclared (excluding acts of terrorism).

- Misuse of alcohol or taking of drugs, other than under the direction of a Doctor. **Exception:** This exclusion does not apply to a Confinement in an eligible Hospital or Rehabilitation Facility for the purpose of treatment for alcoholism or drug addiction.
- Elective surgery, except when required for appropriate care as determined by a Doctor as a result of your Injury or Sickness.
- Aviation. Flying as a fare-paying passenger is not excluded.
CLAIMS

NOTICE OF CLAIM
Written notice of your claim should be given to us within 30 days after the date of loss. The notice may be given to us at our home office or to our authorized agent or administrator. Failure to give notice within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such notice within that time and the notice was given as soon as reasonably possible. If we do not accept your late notice and you believe we were not prejudiced by the failure, please refer to the LEGAL ACTION provision.

CLAIM FORM
The claim form is available from the Employer or you can request a claim form from us. If you do not receive the form from us within 15 days of your request, you may send us written proof of claim without waiting for the form. If such written proof of claim covers the occurrence, character and extent of the loss within the time period below for proof of claim, you will be deemed to have complied with the requirements for providing proof of claim.

FILING A CLAIM
The claim form(s) may require completion by you and the Employer and your attending Doctor. The completed form(s) and any attachments indicated on the form(s) as required should be sent directly to us at the address indicated on the form.

PROOF OF CLAIM
You must send us written proof of your claim within 90 days after the date of loss. Failure to give such proof within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such proof within that time, and the proof was given as soon as reasonably possible. If we do not accept your late proof of claim and you believe we were not prejudiced by the failure, please refer to the LEGAL ACTION provision.

PHYSICAL EXAMINATION
We may require you to be examined by one or more Doctors or other medical practitioners of our choice. We will pay for this examination. We can require an examination as often as it is reasonable to do so while your claim is pending. We may also require you to be interviewed by our authorized representative. Failure to comply with this request may result in denial or termination of benefits.

BENEFIT PAYMENTS
Benefits are payable to you unless otherwise specified. Once a claim has been approved, we will make payment as soon as possible but no more than 30 days after receipt of proof of claim. Any accrued benefits that are payable at your death will be paid to the first survivor(s) who is/are living on the date of your death, in the following order:

1. Your spouse.
3. Your grandchildren, in equal shares.
4. Your parents, in equal shares.
5. Your siblings, in equal shares.
6. Your estate.

If a survivor entitled to receive a payment dies before receiving it, we will make payment to that person’s estate.

If a survivor entitled to receive a payment has a special needs trust established, we will make payment to that person’s trust instead of to the person directly.

“Spouse” in this provision means your lawful spouse.

Any payment we make in good faith will discharge our liability as to the extent of such payment. We will pay the benefits in one sum or in a method comparable to one sum.
LEGAL ACTION
You can start legal action regarding a claim no earlier than 60 days after written proof of claim has been given to us, and no later than three years from the time proof of claim is required, unless otherwise provided under federal law. Nothing in this provision waives, extends or tolls any applicable statute of limitations governing any claim relating in any way to your coverage.

If we do not accept your late notice and you believe we were not prejudiced by the failure, please refer to the LEGAL ACTION provision.

If you do not receive the form from us within 15 days of your request, you may send us written proof of claim without waiting for the form. DEFINITIONS

General terms defined in the DEFINITIONS section of the Certificate regarding medical conditions and eligibility apply to your Children.

Child or Children means a child from live birth to the end of the month in which the Child reaches 26 years of age who is one of the following:

- Your natural or adopted child (including a child placed for adoption).
- Your stepchild.
A child for whom you are required to provide hospital confinement indemnity coverage under a court or administrative order.

The child must also meet all of the following conditions:
- Not be on full-time active duty in the armed forces of any country or subdivision thereof.
- Legally reside in the United States or its territories or possessions.
- Not be insured under the Policy as an Employee or Spouse.

This definition includes your Child age 26 or older who is incapable of self-sustaining employment due to physical or intellectual disability. Written proof of the Child's incapacity must be furnished to us at our home office within 31 days after the Child reaches the limiting age. We may require, at reasonable intervals, but not more than once a year after the two year period following attainment of the limiting age, evidence satisfactory to us that the incapacity is continuing. Coverage will continue while the Child remains incapable of self-sustaining employment due to physical or intellectual disability and continues to meet the definition of Child except for the age limit.

**Spouse** means your lawful spouse.

### GENERAL PROVISIONS

#### ELIGIBILITY

If you are covered under the Policy, then your Children are eligible under this rider on the latest of the following:
- The Policy effective date.
- The date this rider is available to the eligible class of Insured Persons to which you belong.
- Your Hospital Confinement Indemnity coverage effective date.
- The date you acquire a Child by marriage, birth or adoption.

If your Child is covered under the Policy as an Employee, then your Child is not eligible for coverage under this rider.

If both you and your Spouse are covered under the Policy as an Employee, then only one of you may cover your Children under this rider. If the parent who is covering the Children stops being insured as an Employee then the other parent may apply for Children’s coverage under this rider within 60 days.

#### EFFECTIVE DATE

Your Children will be covered at 12:01 a.m. standard time at the Policyholder’s address on the latest of the following:
- The date your Children are eligible for coverage, if you apply for Children’s coverage on or before that date.
- The first day of the month following the date you apply for Children’s coverage.
- The first day of the month following the date you return to Active Employment, if you are not in Active Employment when your Children’s coverage would otherwise become effective. **Exception:** Coverage starts on a non-working day if you were in Active Employment on your last scheduled working day before the non-working day. Non-working days include time off for the following: vacations, personal holidays, weekends and holidays, approved nonmedical Leave of Absence and paid time off for nonmedical-related absences.

If you have Employee/Member coverage but you do not have Children’s coverage under this rider, and you acquire a new eligible Child due to birth, your eligible newborn Child is automatically covered under the terms of this rider for the NEWBORN BENEFIT as shown on the SCHEDULE OF BENEFITS. This includes an adopted newborn Child who is placed with you within 30 days after birth. The effective date of any coverage you apply for after birth is subject to the conditions above including Active Employment.

If you have coverage under this rider and you acquire a new eligible Child due to birth, marriage or adoption, then the newly eligible Child will be covered automatically from the date of the event. If an adopted newborn Child is placed with you within 30 days of birth, the “event” will be the date of birth. If an adopted Child is placed with you more than 30 days after birth, the “event” will be the date of placement. No additional premium is required.
EFFECTIVE DATE OF CHANGES TO COVERAGE
Once your Children’s coverage begins, any increased or additional coverage due to an increase in the Employee coverage amount will take effect on the same date as the Employee coverage increase.

Any decrease in coverage due to a decrease in the Employee coverage amount will take effect on the same date as the Employee coverage decrease, but will not affect a payable claim that occurs prior to the decrease.

TERMINATION
Coverage for each Child ends on the earliest of the following:
- The date this rider terminates.
- The last day of the month in which the Child is no longer an eligible Child as defined by this rider. Eligibility of a Child who is incapable of self-sustaining employment due to physical or intellectual disability ends when there is no longer evidence satisfactory to us that the incapacity is continuing.

This rider terminates on the earliest of the following:
- The date your Certificate terminates. See the PORTABILITY provision below.
- The date this rider is terminated for all Insured Persons under the Policy.
- The last day of the month during which you voluntarily cancel this rider.
- The date you no longer have any eligible Children covered under this rider. See the PORTABILITY FOLLOWING DEATH provision below.
- The end of the period for which premiums are paid, if the next required premium contribution is not paid, subject to the grace period.

PORTABILITY
If you are approved by us to continue your coverage under the Certificate’s PORTABILITY provision, then this rider can also be continued during portability.

PORTABILITY FOLLOWING DEATH
If you die and your Spouse is approved by us for portability under the Spouse Hospital Confinement Indemnity Rider, then this rider can be continued under your Spouse’s coverage. Following portability of this rider, Children may be covered only if they would have been eligible for coverage under the eligibility rules in force prior to the death of the Employee.

Premiums will be billed directly to your Spouse. Continued premium payment is required to keep coverage in force. The initial premium will be based on the portability premium rates in effect at the time your Spouse applies for portability. We may change the portability premium rates at any time upon 60 days written notice to your Spouse.

Coverage continued under this provision will end on the earliest of the following:
- The end of the period for which your Spouse paid premiums, if your Spouse stops making a required premium contribution, subject to the grace period.
- The date your Spouse dies.
- The date there are no longer any eligible Children covered under this rider.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days written notice of termination.
CHILDREN BENEFITS

Benefits are payable for each covered Child. The benefits for your Children are the same as your Employee benefits as shown in the BENEFITS section of the Certificate, based on your Child’s Confinement or other covered loss. **Exception(s):** Benefits for your newborn Child are described under the NEWBORN BENEFIT provisions on this rider.

NEWBORN BENEFIT

If you have coverage under this rider on the date of your newborn Child’s birth, then the benefits for the newborn Child under this rider are the same as for any other Child.

If you have Employee coverage but you do not have coverage under this rider on the date of your newborn Child’s birth, and your newborn Child is Confined due to birth, then this rider provides a one-time benefit for your newborn Child as shown on the SCHEDULE OF BENEFITS. All other benefits under this rider are subject to the conditions regarding application, effective date and Active Employment.

NOTICE OF PROTECTION PROVIDED BY
CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association (“the Association”). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations or the rights or obligations of the Association.

**COVERAGE**

- **Persons Covered**

  Generally, an individual is covered by the Association if the insurer was a member of the Association and the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

- **Amounts of Coverage**

  The basic coverage protections provided by the Association are as follows.

  - **Life Insurance, Annuities and Structured Settlement Annuities**

    For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

    - **Life Insurance**
      
      80% of death benefits but not to exceed $300,000
      
      80% of cash surrender or withdrawal values but not to exceed $100,000
    

    - **Annuities and Structured Settlement Annuities**
      
      80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed $250,000

  The maximum amount of protection provided by the Association to an individual, for all life insurance, annuities and structured settlement annuities is $300,000, regardless of the number of policies or contracts covering the individual.

  - **Health Insurance**

    The maximum amount of protection provided by the Association to an individual, as of July 1, 2016, is $546,741. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer. Changes to this amount will be posted on the Association’s website www.califega.org.
COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
- A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
- If the person is provided coverage by the guaranty association of another state.
- Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual
- Employer and association plans, to the extent they are self-funded or uninsured
- A policy or contract providing any health care benefits under Medicare Part C or Part D
- An annuity issued by an organization that is only licensed to issue charitable gift annuities
- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract
- Any policy of reinsurance unless an assumption certificate was issued
- Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1607.02(b)(2)(C).

NOTICES

Insurance companies or their agents are required by law to give or send you this notice. Policyholders with additional questions should first contact their insurer or agent. If any facility Confinement benefit in your Certificate is for less than 31 days, then this benefit is increased to 31 days.

III. DEFINITIONS
If the definition of Hospital in your Certificate excludes a hospice unit, including any bed designated as a hospice or swing bed, then that exclusion does not apply.

VI. EXCLUSIONS
If your Certificate and any riders contain an exclusion for felony or illegal activity, then that exclusion is replaced by the following:

- Participation in a felony.

If your Certificate and any riders contain an exclusion for intoxication while operating a motor vehicle, then that exclusion does not apply.

If your Certificate and any riders contain an exclusion for misuse of alcohol or taking of drugs, then that exclusion is replaced by the following:

- Alcoholism or drug addiction.

If this exclusion in your Certificate or any riders contains an Exception, that Exception is unchanged.

If your Certificate and any riders contain an exclusion for elective surgery, then the reference to “elective” is changed to “cosmetic” and the following is added to that bullet:

“Cosmetic surgery” will not include reconstructive surgery when the service is incidental to or follows surgery resulting from trauma, infection or other diseases of the involved part; reconstructive surgery because of congenital disease or anomaly of a covered dependent child; or involuntary complications or complications related to a cosmetic procedure.

If your Certificate and any riders contain exclusions for racing, aircraft or hot-air balloons, recreational activities or competitive athletic contests, then those exclusions do not apply.

The following exclusion is added below the bulleted list of EXCLUSIONS in your Certificate and any riders:

In addition, benefits are not payable due to illness, treatment or medical condition arising out of professional aviation for wage or profit.

If your Certificate includes a Children’s Hospital Confinement Indemnity Rider with a PRE-EXISTING CONDITION EXCLUSION, then the following statement is added to that provision:

Congenital Anomalies are not considered a Pre-Existing Condition.

VII. CLAIMS
If the BENEFIT PAYMENTS provision in your Certificate and any riders indicates that there is a time limit on when we will make payment, then that statement is replaced by the following:

Once a claim has been approved, we will make payment immediately upon receipt of due written proof of claim.
VIII. CHILDREN’S HOSPITAL CONFINEMENT INDEMNITY RIDER

If your Certificate includes a Children’s Hospital Confinement Indemnity Rider, then in addition to any changes noted above, this rider is changed as follows:

In the SCHEDULE OF BENEFITS:

If the BENEFIT AMOUNTS provision contains an Exception regarding admission benefits payable for a newborn Child, then that Exception does not apply.

If there is a NEWBORN BENEFIT provision, that provision does not apply. The benefit amounts payable for an eligible newborn Child are the same as the benefit amounts payable for any other eligible Child. If there is a benefit for a stillborn Child, that benefit is unchanged.

In the DEFINITIONS section:

If the definition of Child or Children includes a maximum Child age of less than 25 years, then this maximum is changed to 25 years.

The reference to an adopted child in the definition of Child or Children is changed to add the following: “Placed” means physical placement in your care, except when physical placement is prevented due to the medical needs of the child, in which case ‘placed’ means the date you sign an agreement for adoption of the child and assume financial responsibility for the child.

If the definition of Child or Children includes a requirement that the child be eligible to be claimed by you or your Spouse for federal income tax purposes, then that requirement does not apply to your natural or adopted child.

If the definition of Child or Children includes any requirements for full-time students over a certain age, then these requirements do not apply.

The following definition is added:

**Congenital Anomaly** means a condition existing at or from birth that is a significant deviation from the common form or function of the body, whether caused by a hereditary or developmental defect or disease. The term significant deviation is defined to be a deviation which impairs the function of the body, and includes but is not limited to the conditions of cleft lip, cleft palate, webbed fingers or toes, sixth toes or fingers, or defects of metabolism and other conditions that are medically diagnosed to be congenital anomalies.

In the GENERAL PROVISIONS section:

If the EFFECTIVE DATE provision includes a time period following the date you become eligible for Children’s coverage during which you must apply or elect coverage, then this time period does not apply.

The following replaces any language in the EFFECTIVE DATE provision specific to a newborn Child, other than for a stillborn Child (if there is no language specific to a newborn Child, then this is added):

If you have Employee coverage but you do not have Children’s coverage under this rider, and you acquire a new eligible Child due to birth, your eligible newborn Child is automatically covered under the terms of this rider for the first 60* days after birth. This includes an adopted newborn Child who is placed with you within 60 days after birth. The effective date of any coverage you apply for after birth is subject to the conditions above including Active Employment. Coverage beyond the 60th* day is subject to the conditions above regarding application and Active Employment.

If you pay any part of the cost of coverage under this rider, the Employer will notify you of the premium required for this rider and the date that either payroll deductions will begin or your first premium payment is due, which will not be less than 31 days following your receipt of the notification.
If you have coverage under this rider and you acquire a new eligible Child due to birth, marriage or adoption, then the newly eligible Child will be covered automatically from the date of the event. If an adopted newborn Child is placed with you within 60 days of birth, the "event" will be the date of birth. If an adopted Child is placed with you more than 60 days after birth, the "event" will be the date of placement. No additional premium is required.

*If your rider indicates a longer period, then the longer period will apply.

In the TERMINATION provision, if any reference to termination of coverage for your newborn Child has a time period of less than 60 days, then this time period is changed to 60 days. If there is no reference to termination of coverage for a newborn Child, then the following is added to the list:

- For your newborn Child, the 60th day after the newborn Child’s birth, if Children’s coverage under this rider is not otherwise effective on that date according to the EFFECTIVE DATE provision.

In the CHILDREN BENEFITS section:

If the first paragraph contains an Exception regarding admission benefits payable for a newborn Child, then that Exception does not apply.

If your rider has a NEWBORN BENEFIT provision, that provision does not apply. The benefit amounts payable for an eligible newborn Child are the same as the benefit amounts payable for any other eligible Child. If your rider contains a benefit for a stillborn Child, that benefit is unchanged.

HOSPITAL CONFINEMENT INDEMNITY COVERAGE

THE CERTIFICATE PROVIDES LIMITED BENEFITS
BENEFITS PROVIDED ARE SUPPLEMENTAL AND ARE NOT INTENDED TO COVER ALL MEDICAL EXPENSES

OUTLINE OF COVERAGE FOR IDAHO RESIDENTS

Read Your Certificate Carefully – This outline of coverage provides a very brief description of the important features of coverage. This outline is not the insurance contract and only the actual Policy provisions will control. The Policy itself sets forth in detail the rights and obligations of both you and your insurance company. It is, therefore, important that you READ YOUR CERTIFICATE CAREFULLY!

Hospital confinement indemnity coverage is designed to provide, to persons insured, coverage in the form of a fixed daily benefit during periods of hospitalization resulting from a covered accident or sickness, subject to any limitations set forth in the Certificate. Coverage is not provided for any benefits other than the fixed daily indemnity for hospital confinement and any additional benefits described in the Certificate and riders.

The Policy pays a fixed benefit amount for each day that a covered person is confined in a hospital, to a maximum number of days per confinement. At the Policyholder's option, there may also be a daily benefit payable for confinement in a critical care unit (CCU), a CCU step-down unit, and/or a rehabilitation facility. The Certificate and riders will contain information about the daily benefit amounts, types of facilities, and duration of benefits. If you pay all or part of the cost of coverage, then the enrollment materials you received also contain a description of benefits available under the Policy.

Hospital confinement indemnity coverage is subject to exclusions which may prevent benefits from being paid. Also, benefit payment is contingent on proof of loss which may require additional information be provided prior to claim determination. At the Policyholder's option, there may also be an eligibility waiting period, during which time no coverage is in force. There may be benefit reductions or termination provisions based on age. There may also be benefit reductions during the initial 1, 3, 6, 9 or 12 months of a covered person's coverage.

A description of any policy provisions that exclude, eliminate, restrict, reduce, limit, delay or in any other manner operate to qualify payment of benefits are provided in the Certificate and any riders. The exclusions that apply to all provisions for hospital confinement indemnity coverage are provided in the “Exclusions” section of the Certificate and any riders. The “Schedule of Benefits,” the Benefits section(s) and the “Exclusions” section of the Certificate and any riders provide specific information about the conditions for receiving benefits and any limitations. If you pay all or part of the cost of coverage, then the enrollment materials you received also contain a description of the exclusions and limitations under the Policy.

Your coverage will continue under the Policy, while the Policy remains in force, as long as you continue to meet the eligibility requirements and all premiums due are paid. You may have the option to continue your coverage by direct payment of premiums to ReliaStar Life Insurance Company after you no longer meet the eligibility requirements.

The Policyholder may change the terms of the Policy at any time with ReliaStar Life Insurance Company’s agreement. The Policyholder or ReliaStar Life Insurance Company may terminate the Policy at any time. ReliaStar Life Insurance Company reserves the right to change premiums at any time according to the terms of the Policy.

The Policy may provide additional benefits under optional riders. The Certificate and riders will contain a description of all benefits included under the Policy.

THIS IS NOT A MEDICARE SUPPLEMENT POLICY. If you are eligible for Medicare, review the “Guide to Health Insurance for People With Medicare” available from the company.
Your Certificate has been changed as follows. Please keep this endorsement with your Certificate. This endorsement is subject to all other terms of the Policy.

I. GENERAL PROVISIONS

The POLICY TERMINATION provision is changed to add the following statement:

If the Policy is terminated, we will make a good faith effort to notify all Insured Persons at least 30 days before the termination date. We will not notify Insured Persons if we have reasonable evidence that the Policy has been or will be replaced by a substantially similar group policy, plan or contract.

- Operation of a motorized vehicle while under the influence of alcohol as evidenced by a blood alcohol level in excess of the state legal intoxication limit.

If there is an exclusion for suicide or attempted suicide, then this exclusion does not apply. Any exclusion for self-inflicted injury (other than attempted suicide) still applies.

If any exclusion refers to misuse of alcohol or taking of drugs, then that exclusion is changed to the following:

- Alcoholism or drug abuse.
- Being under the influence of any narcotic, unless the narcotic is taken under the direction of and as directed by a Doctor.

NOTICE CONCERNING POLICYHOLDER RIGHTS IN AN INSOLVENCY UNDER THE MINNESOTA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION LAW

If the insurer or health maintenance organization that issued your life, annuity or health insurance policy becomes impaired or insolvent, you are entitled to compensation for your policy or contract from the assets of that insurer. The amount you recover will depend on the financial condition of the insurer or the health maintenance organization.

In addition, residents of Minnesota who purchase life insurance, annuities, health insurance, or health maintenance coverage from insurance companies authorized to do business in Minnesota are protected, SUBJECT TO LIMITS AND EXCLUSIONS, in the event the insurer or health maintenance organization becomes financially impaired or insolvent. This protection is provided by the Minnesota Life and Health Insurance Guaranty Association.

For purposes of this notice, the terms “insurance company” and “insurer” include health maintenance organizations.

Minnesota Life and Health Insurance Guaranty Association
3300 Wells Fargo Center

Minneapolis, Minnesota 55402
Telephone: (612) 322-8713

The maximum amount the Guaranty Association will pay for all policies or contracts issued on one life by the same insurer or health maintenance organization is limited to $500,000. Subject to this $500,000 limit, the Guaranty Association will pay up to $500,000 in life insurance death benefits, $130,000 in net cash surrender and net cash withdrawal values for life insurance, $500,000 in health insurance, health maintenance organization, and long-term care benefits, including any net cash surrender and net cash withdrawal values, $500,000 in disability income insurance, $250,000 in annuity net cash surrender and net cash withdrawal values, $410,000 in the present value of annuity benefits for annuities which are part of a structured settlement or for annuities in regard to which periodic annuity benefits, for a period of not less than the annuitant's lifetime or for a period certain of not less than ten years, have begun to be paid on or before the date of impairment or insolvency, or if no coverage limit has been specified for a covered policy or benefit, the coverage limit shall be $500,000 in present value. Unallocated annuity contracts issued to retirement plans, other than defined benefit plans, established under section 401, 403(b), or 457 of the Internal Revenue code of 1986, as amended through December 31, 1992, are covered up to $250,000 in net cash surrender and net cash withdrawal values, for Minnesota residents covered by the plan provided, however, that the association shall not be responsible for more than $10,000,000 in claims from all Minnesota residents covered by the plan. If total claims exceed $10,000,000, the $10,000,000 shall be prorated among all claimants. These are the maximum claim amounts. Coverage by the Guaranty Association is also subject to other substantial limitations and exclusions and requires continued residency in Minnesota. If your claim exceeds the Guaranty Association's limits you may still recover a part or all of that amount from the proceeds of the liquidation of the insolvent insurer, if any exist. Funds to pay claims may not be immediately available. The Guaranty Association assesses insurers and health maintenance organizations licensed to sell life and health insurance in Minnesota after the insolvency occurs. Claims are paid from this assessment.

Benefits provided by a long-term care rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the base life insurance policy or annuity contract to which it relates.

THE COVERAGE PROVIDED BY THE GUARANTY ASSOCIATION IS NOT A SUBSTITUTE FOR USING CARE IN SELECTING INSURANCE COMPANIES THAT ARE WELL MANAGED AND FINANCIALLY STABLE. IN SELECTING AN INSURANCE COMPANY CONTRACT OR POLICY, YOU SHOULD NOT RELY ON COVERAGE BY THE GUARANTY ASSOCIATION.

Notice of Protection Provided by
Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association (Association) and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity, or health insurance company becomes financially unable to meet its obligations and is taken over by its insurance department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies. (For the purposes of this notice, the terms “insurance company and “insurer” include health maintenance organizations (HMOs) and limited health plans.)

The basic protections provided by the Association are:
- **Life Insurance**
  - $500,000 in death benefits
  - $200,000 in cash surrender or withdrawal values
- **Health Insurance**
  - $500,000 in hospital, medical and surgical insurance benefits
  - $500,000 in long-term care insurance benefits
  - $500,000 for disability income insurance benefits
  - $500,000 in other types of health insurance benefits
- **Annuities**
  - $250,000 in the present value of annuity benefits in aggregate, including any net cash surrender and net cash withdrawal values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is $500,000. Special rules may apply with regard to hospital, medical, and surgical insurance benefits.

**NOTE: Certain policies and contracts may not be covered or fully covered.** For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Utah law.
