

How to transfer prescriptions:

To avoid any interruption in your treatment, transfer your prescription before January 1, 2023. Visit emihealth.com for a full list of in-network pharmacies near you. Enter your EMI Health account information and create an account or sign-in if you already have an account. Click on “Pharmacy” which will take you to your Rx account with Express Scripts. Under “Prescriptions” select “Locate a Pharmacy.”

Here are three ways to make a switch:

1. Take your prescription bottle to your new pharmacy and they’ll contact your current pharmacy to transfer your prescription.
2. Call your new pharmacy and ask them to transfer your prescription.
3. 3. Ask your doctor to contact your new pharmacy with your prescription information.
