Utah Retirement Systems

Did you know the District provides retirement through URS? The first step to managing your retirement is to log in to your account.

[Click here to learn how to create your URS account](#)

If you have questions, contact URS at 800-365-8772 for help.

EMI Dental Insurance

Poor dental health can lead to other health problems, including infection and inflammation.

Did you know that our EMI Dental Plan covers preventive care at 100% when you use preferred providers? Each family member on the dental plan can have 2 visits per year for preventive exams, cleaning, and fluoride. See page 36 in the benefit booklet.

VSP Vision Plans

Did you know that if you elected the VSP vision plans as a new hire or during open enrollment, you have access to many vision perks, including glasses, lenses, and contact discounts?

Information regarding the supplemental vision plans begin on page 54 in the link below.

VOYA Supplements

Do you have claims to file?

If you enrolled in one of the three VOYA supplements, you may have claims to file.

Please click on the link to view instructions to file a claim for accidents, critical illness, or hospital stays.

LIFE EVENTS

A life event includes but is not limited to changes in marital status, birth, adoption, or legal guardianship of a child, death of a dependent, change in spouse or dependent child's employment or insurance, and more. You have 30 days to make changes to your insurance coverage when you have a qualifying life event. Contact tammara.robinson@washk12.org for help.
