

Did you know?

April 1, 2026

WCSD Benefits Monthly Newsletter

In this issue:

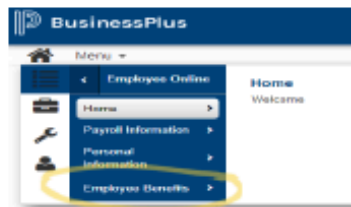

- Open Enrollment Reminder
- How To View Benefits
- VOYA Wellness Claims

OPEN ENROLLMENT REMINDER

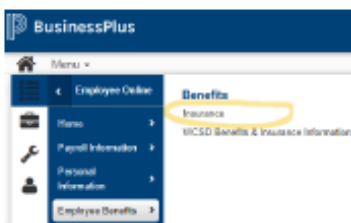

OPEN ENROLLMENT IS APRIL 20, 2026, THROUGH MAY 1, 2026.

Watch for emails beginning mid-April with the details. Any plan changes made during open enrollment will be effective August 1, 2026, when the new plan year begins. Every school has a School Insurance Rep who is trained on the open enrollment insurance details.

How to view current benefits:

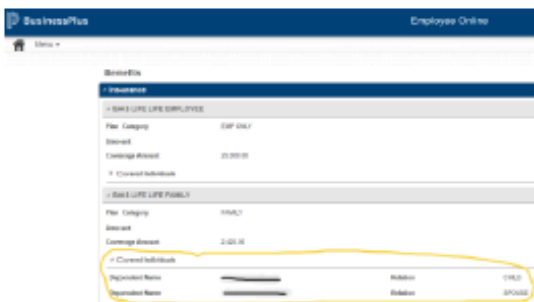

1) Log into Employee Online Services. Click on "Employee Benefits."

2) Click on "Insurance."

3) View each benefit when you click on the arrow to the left of the benefit you select.

4) View each dependent who is enrolled in each benefit.

* Not every benefit will show the premium in this system. If you want to know actual costs, view your paycheck in Employee Online.

VOYA WELLNESS CLAIMS

The wellness benefit with VOYA is an annual benefit payable by completing an eligible health screening test. Regardless of how many tests are completed, it's payable once per year, per covered person, per product. View your current benefits (instructions listed above) to see what VOYA plans you are enrolled in for accident, critical illness, and hospital indemnity.
