Open Enrollment

Did you know that open enrollment is the time that eligible employees can enroll or elect changes to their medical, dental, optional life insurance, vision, short-term disability, Voya supplemental plans, and flex spending? It's the only period of time you can make changes to coverage other than if you have a life event.

OPEN ENROLLMENT IS APRIL 20, 2026, THROUGH MAY 1, 2026.

Watch for emails beginning mid-April with the details.

Beneficiaries

A beneficiary is a person, organization, or entity legally designated to receive assets, funds, or benefits from a will, trust, insurance policy, or retirement account upon the owner's death.

Make sure your beneficiaries are listed in case something happens that is irreversible.

Estate Planning

Did you know that trust planning ensures your assets are distributed according to your wishes, minimizes taxes, and protects your beneficiaries? Trusts can prevent probate court intervention and reduce family disputes in difficult times.

EMI Benefit Hub

Did you know that EMI has more than just health perks? They offer discounts & awards for shopping and dining, tickets to sporting events, concerts, theaters, movies, and theme parks.

You can earn BenefitHub points and cash for select purchases, collect, and share your favorite offers, too.
