Dear Parents,

Following the guidelines provided by the Utah Department of Health and in compliance with the public health directive from the Governor's office, effective Wednesday, Oct. 14, masks must be worn at all school events, both indoor and outdoor. All attendees will be required to bring their own masks and wear them throughout the entire event at all school facilities, both inside and outside.

Any outdoor or indoor sporting event will be stopped and potentially forfeited if visitors and spectators refuse to comply with the public health order and refuse to wear masks.

Remember that these student athletes have worked hard to participate in their respective sports. Please be respectful of this opportunity for these athletes to participate in these events by wearing a mask while in attendance.

Thank you for your support.
