

Covid-19 Reopening Plan Amendments 10/13/2020		
Page # Subheading	Reopening Plan	Plan Updates
4 - "Daily Enhanced Cleaning"	Second sentence: At the end of each day they (restrooms) will be disinfected using the Minute Man Misting Sprayers.	At the end of each <i>week</i> , they (restrooms) will be <i>sprayed with disinfectant from top to bottom.</i>
5 - "Disinfecting Cleaning:	Using the Minute Man Misters, each school will be expected to disinfect once a week. This includes classrooms, libraries, gymnasiums, locker rooms, playground equipment, administration area, weight rooms and common areas. The weight room facilities will need to be disinfected daily as well as the locker rooms.	<i>Using the chemical Prevent X 24-7, classrooms, libraries, gymnasiums, locker rooms, playground equipment, administration area, weight rooms, common areas, and locker rooms will be disinfected as needed. Prevent X 24-7 renders COVID-19 impotent for 90 days.</i>
7 - Preparation Phase	<p>Old quarantine guidelines</p> <p>If an employee came into close contact with someone who tested positive for COVID-19, he or she should quarantine for 14 days and monitor for symptoms. He or she should not go to work while quarantined, even if the employee doesn't feel sick or has a negative COVID-19 test unless the employee is told by a public health worker that he or she can end isolation.</p>	<p>New quarantine guidelines:</p> <p><i>Students or staff who live in the same household with someone who has tested positive for COVID-19 Will quarantine for 14 days after the person who tested positive stops exhibiting symptoms.</i></p> <p><i>Students or staff who have had direct exposure (been within 6 feet for 15 minutes or more) of a person who has tested positive for COVID-19 at a school location will quarantine for 14 days.</i></p> <p><b>OR</b></p> <p><i>May return before the 14 day</i></p>

		<p><i>period if their exposure occurred when both they and the person to whom they were exposed were wearing masks, and if they do all of the following:</i></p> <ol style="list-style-type: none"> <li><i>1. Get tested no sooner than 7 days after exposure; and,</i></li> <li><i>2. Receive a negative test result; and,</i></li> <li><i>3. Submit the negative test results to their school secretary or administrator; and,</i></li> <li><i>4. Must not be exhibiting any symptoms of COVID-19 (See symptom list above)</i></li> </ol>
8 - "Plan"	If an employee tests positive for COVID-19, he or she should isolate right away.	If an employee tests positive for COVID-19, he or she should isolate <i>for 10 days and be symptom free for at least 24 hours.</i>
11 - "Classrooms" "Respiratory Hygiene"	<p>Require that students wear face masks when engaged in contact longer than 15 min. Within 6 ft.</p> <p>Seat students facing forward.</p>	<p><i>Require that students wear face masks when indoors unless eating or drinking.</i></p> <p><i>Seat students facing forward as much as possible. Allow group discussions for shortened periods of time.</i></p>
