

**Washington County School District
2018-19 Test Impact and Description Table**

How much time do students typically spend on tests?

Grade	Approximate Testing Minutes	Percent of Class Time Used for Testing During School Year	If the testing was done all at once it would take approximately ____ school days.
K	585	2%	4 sessions
1	535	<1%	2
2	535	<1%	2
3	805	1%	2
4	905	1%	2
5	995	1%	2
6	405	<1%	1
7	405	<1%	1
8	630	1%	2
9	245	<1%	<1
10	245	<1%	<1
11	300	<1%	<1
12	30	<1%	<1

- 59,400 minutes per year
- Kindergarten is 27,000 minutes per year.
- 180 school days per year.

What tests do students take?

Test	Grade	Subject	Schedule	Required	Description	Average Total Testing Minutes
Kindergarten Entry & Exit Profile (KEEP)	K	Pre-literacy Numeracy	First Week of School Last Week of School	State	Provides information about basic skills in reading and math. Additional district-made items (along with KEEP results) assist teachers in making decision about Optional Extended Kindergarten for students. Results are used by teachers (school-level) and reported to district and State.	50
DIBELS	K - 3	Basic literacy skills	September January May	State	<i>Dynamic Indicators of Basic Early Literacy Skills (DIBELS)</i> provides information about the fluency of students relative to basic early literacy skills such as letter names, phonics, reading fluency, and comprehension. Parents are notified of the results. The <u>number</u> of students that are reading on grade level is reported to the Utah State Office of Education.	35
My Math	K-5	Math	Approx. twice a month	District	<i>My Math</i> is our elementary math program which aligns with the State Core Standards for math. The program has three components of rigor: Conceptual Understanding, Procedural Skill, & Fluency, & Application. Unit test results help teachers know which concepts are being mastered and can inform decisions about needed interventions.	500
AAPPL	3-9 Dual Language Immersion	Foreign Language Acquisition	Fall	State	The <i>ACTFL Assessment of Performance toward Proficiency in Languages (AAPPL)</i> is a computer-based test of foreign language acquisition. It provides measures of Interpersonal Listening and Speaking, Presentational Writing, and Interpretive Reading and Listening.	120
ACT	11	English Math Reading Science Writing	March	State	The <i>ACT</i> is the most widely accepted college entrance exam. It assesses high school students' general educational development and their ability to complete college-level work. It includes a survey of career interests which helps students consider possible career and college options. Students can request their scores be directly sent to colleges and universities. Results are used in federal and state accountability reports.	300
