## **COMMODITY CODES:**

**K&S will be using the following UNSPSC Codes (classifications) for RHC or E-Rate eligible services. Note that when you are entering UNSPSC Codes, Bonfire leaves off the zeroes. For example, 83112200 is 831122. Additionally, the higher-level code is used in some cases instead of listing all the individual codes. For example, 4322 is the commodity code used instead of the code specifically for routers, antennas or network switches.**
