

## Media Release for National School Lunch, School Breakfast, and Special Milk Programs

Washington County School District today announced its policy for providing meals for children served under the National School Lunch, and/or School Breakfast Programs. This school year, healthy meals will be offered at no cost to all students. These meals will be available every school day. Typically, a student's household must meet income eligibility requirements to qualify for free or reduced-price meals. However, the United States Department of Agriculture (USDA) is allowing schools to waive this requirement for the 2021-2022 school year.

Households will not be required to submit a meal application form to receive meals at no charge this school year. However, Washington County School District is still collecting and processing applications for free and reduced-price meals. This is because school funding and eligibility for other programs depends on completed meal applications. Completing an application this year may also prevent a gap in benefits for your child next year.

Each household will receive a letter informing them of the program, including contact information for any questions. Each school and/or the school nutrition office has a copy of the policy, which may be reviewed by any interested party. It is important to submit a completed meal application as soon as possible.

- Only one meal application is needed for each household. Applications are collected at the local level; each school district or charter school has their own process for submitting applications.
- Applications are available at <https://www.washk12.org/food-service/free-and-reduced>.

### Criteria for Free and Reduced-Price Meal Benefits

The following criteria will be used to determine a child's eligibility for free or reduced-price meal benefits for School Year 2021-2022:

#### Income

1. Household income that is at or below the income eligibility levels

#### Categorical or Automatic Eligibility

2. Household receiving Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF); or Food Distribution Program on Indian Reservations (FDPIR)

#### Program Participant

3. Child's status as a foster child, homeless, runaway, migrant, or displaced by a declared disaster
4. Child's enrollment in Head Start or Even Start

#### Income Eligibility

For those households that qualify for free or reduced-price meals based on income, an adult in the household must complete the free and reduced-price meal application and return it to Stefenee Hymas, Meal Benefits Coordinator, 811 E. Brigham Rd., Bldg. B, St. George, Utah 84790, email [stefenee.hymas@washk12.org](mailto:stefenee.hymas@washk12.org), or fax (435) 674-6491. Those individuals filling out the application will need to provide the following information:

1. Names of all household members
2. Amount, frequency, and source of current income for each household member

3. Last 4 digits of the Social Security number of the adult household member who signs the application or, if the adult does not have a social security number, check the box for “No Social Security number”
4. Signature of an adult household member attesting that the information provided is correct

### **Categorical or Program Eligibility**

Washington County School District is working with local agencies to identify all children who are categorically and program eligible. Stefenee Hymas will notify the households of these children that they do not need to complete an application. Any household that does not receive a letter and feels it should have should contact Stefenee Hymas, Meal Benefits Coordinator at (435) 634-4323 or email [stefenee.hymas@washk12.org](mailto:stefenee.hymas@washk12.org).

### **Determining Eligibility**

Under the provisions of the free and reduced-price meal policy, Stefenee Hymas, Meal Benefits Coordinator will review applications and determine eligibility. Households or guardians dissatisfied with the Reviewing Official’s eligibility determination may wish to discuss the decision with the Reviewing Official on an informal basis. Households wishing to make a formal appeal for a hearing on the decision may make a request either orally or in writing to Sharon Stucki, Child Nutrition Director, at 811 E. Brigham Rd., Bldg. B, St. George, Utah 84790.

Any household that wishes to decline benefits should contact Stefenee Hymas, Meal Benefits Coordinator at (435) 634-4323 or [stefenee.hymas@washk12.org](mailto:stefenee.hymas@washk12.org).

Applications may be submitted anytime during the school year. The information households provide on the application will be used to determine eligibility. Applications may also be verified by the school officials at any time during the school year.

### **Unexpected Circumstances**

If a household member becomes unemployed or if the household size increases, the household should contact the school. Such changes may make the children of the household eligible for benefits if the household’s income falls at or below the attached current income eligibility guidelines.

### **Sharing Information**

The information provided by the household is confidential and will be used only for purposes of determining eligibility and verifying data, unless a wavier releasing the use of the information for other specific programs is signed by the parent or guardian. Families who are notified of categorical or automatic eligibility (directly certified) will receive a wavier release form for their signature with the notification letter. The household name and address will be given to the Children’s Health Insurance Program (CHIP) unless “No” is checked on the back of the application.

Supplemental Nutrition Program for Women, Infants & Children (WIC) may be eligible for free or reduced-price meals. Individuals should complete an application for free and reduced-price meals and return it to the school where the child is enrolled. The family will be notified of the child’s eligibility.
