

Any standard **highlighted in yellow** has been determined by our WCSD teachers, district and state experts as essential for students to master.

Strand 10.A.APR.1: I can perform arithmetic operations on polynomials. I can focus on polynomial expressions that simplify to forms that are linear or quadratic in a positive integer power of x .

Standard 10.A.APR.1: I can understand that polynomials form a system analogous to the integers.

Learning Targets	Academic Vocabulary & Notation	Question Stems	Possible Assessments
<ul style="list-style-type: none"> I can understand that polynomials form a system analogous to the integers. I know that they are closed under the operations of addition, subtraction, and multiplication. I can add, subtract, and multiply polynomials. 	<ul style="list-style-type: none"> polynomials, analogous, integers, operations of addition, subtraction, multiplication with polynomials 	<ul style="list-style-type: none"> How are these _____ the same? different? How have you shown your thinking (e.g. picture, model, numbers, sentence) 	<ul style="list-style-type: none"> <u>District CFAs</u>
