

**2022-2023 School Year
Scholarship Application
Southern Utah Home Builders Association**

SUHBA Scholarship Overview:

The Southern Utah Home Builders Association (SUHBA) has an established scholarship program. Each year, SUHBA will award scholarships to students pursuing post high school education. Preference for scholarships will be given to students pursuing construction-related education and students affiliated with SUHBA. The scholarship may be used to fund almost any post-secondary education, i.e., college or vocational, public, or private. Monies will be paid directly to the school of choice of the winners to help defray the cost of tuition. Recipients may be awarded up to \$1,000 per academic year. Applicant must be Grade 12 or equivalent to apply.

Academic Year:

The scholarship award must be used in the 2022-2023 Academic Year (*Summer 2022, Fall 2022, and Spring 2023*).

Distribution of Funds:

Scholarship recipients are required to submit proof of enrollment and upcoming class schedules to SUHBA. Upon award selection, SUHBA will send a check directly to the designated school. Scholarship recipients may also be required to submit to SUHBA a copy of their tuition expense receipt.

Subsequent Scholarships:

Scholarship recipients are welcome to reapply for aid in subsequent academic years.

Note: Previous scholarship recipients must submit a separate application for each subsequent award.

Previous recipients may skip section V-B and will not need to provide reference letters; however, previous recipients must submit transcripts with the application. Previous awards do not guarantee subsequent award selection.

Application Deadline:

Applicant is responsible to ensure that all application materials and requirements are submitted to the Southern Utah Home Builders Association by **March 31 or postmarked by March 31**. Application must be complete, or it will not be considered.

Notification:

Those individuals selected to receive a scholarship will be notified by May 5. Those not receiving a scholarship will be notified by email.
