

SMART • HEALTHY • SAFE

SIMPLE STEPS WITH HUGE IMPACT

HYGIENE ETIQUETTE

IT'S ABOUT PROTECTING EVERYONE

- Hand-washing often and for 20 seconds.
- Hand sanitizer is also a good option.
- Cough or sneeze into your elbow or tissue.
- No physical contact, shaking hands or touching your face.

STAY HOME

IF YOU HAVE...

- Fever above 100.4 °F
- Shortness of breath.
- Sore throat, cough, runny nose.
- Vomiting, diarrhea or persistent symptoms.
- If you feel sick, stay home and seek medical attention.

FACE COVERINGS

- Two Cloth face coverings will be provided for students.
- Students are welcome to bring and wear their own appropriate coverings (face mask or face shield).
- Students will be required (by the Governor of Utah mandate) to wear face coverings in school buildings and on the bus.
- Employees will wear face coverings in school buildings.

PHYSICAL DISTANCE

KEEP YOUR DISTANCE

- The best way to curb the spread of any virus is by physically distancing.
- During lunch, playground, hallways and classroom activity we will encourage physical distancing.

CLEAN & DISINFECT

INCREASED ATTENTION TO THE DETAILS

- The District will implement a daily and weekly multi-step cleaning protocol in all schools with increased attention to all touch-points; i.e., fountains, door handles, walls, desks, etc.
- Outside HVAC airflow will also be running at longer hours of operation as needed.
