

# Overview of Career & Technical Education (CTE), Comprehensive Counseling and Guidance Program (CCGP), and Concurrent Enrollment (CE) in Washington County School District

**Additional High School CTE course options** (Instructors **must** meet USOE-CTE licensing qualifications):

- When **Physics** is taught as “**Physics with Technology**” the course is funded by CTE (*SAGE testing is required*).
- When **Biology** is taught as “**AG Biology**” the course is funded by CTE (*SAGE testing is required*).
- When **English** is taught as “**Business Communications**” the course is funded by CTE.
- “**Yearbook**” qualifies for CTE credit/funding, when taught as Desktop Publishing I & II (*high school only*).
- “**Computer Science**” qualifies as a third year science credit.
