### Seal of Biliteracy

The Seal of Biliteracy is an award issued by the state department of education or local district to recognize a student who has attained proficiency in English and one or more other World Languages (Second Language) by high school graduation. The recognition of attaining biliteracy becomes part of the high school transcript and a certificate is provided at graduation for these students. The Seal serves to certify the attainment of biliteracy for students, employers, and universities. It is a statement of accomplishment that helps to signal evidence of a student's readiness for career and college and for engagement as a global citizen.
