Requested School _____

Current WCSD Boundary School _____ Reason for Request _____

I understand that all transfer requests are contingent on Early Open Enrollment school capacity ("maximum capacity") or Late Open Enrollment school capacity ("adjusted capacity"), special program limitations, staff availability, and/or circumstances under Utah Rule 53G-6-402(4)(c). If this request is granted, I agree that my child must remain at the requested school through the end of the requested school year. I understand that I, as parent or guardian, am responsible for transportation of my student to and from school. I understand that a student's acceptance into a school or school district does not establish UHSAA (student athletic or activity) eligibility. An enrolled nonresident student shall be permitted to remain enrolled at the requested school, subject to the same rules and standards as a resident student, without renewed applications in subsequent years unless any of the following occurs:

- The student graduates or is no longer a Utah resident.
- The student is suspended or expelled from school.
- The district determines that school enrollment will exceed the Open Enrollment Threshold.
- In secondary schools, the approved application is for all grades in the feeder system.
- In elementary schools, the approved application is for *the current grade (school year)* only. A new application must be re-submitted in subsequent years (\$5.00 fee waived after first application).
